Things I Like About You

A LITTLE KEEPSAKE, FOR YOU TO REVISIT

FOR SHANELLE ✿ “NEI”

made with a lot of blue, flowers, and courage ✿

100 Things I Like About You

- 01 I like how your name, Shanelle, somehow becomes even cuter when I call you Nei, wash me Nei, Wash me NeiNei.
- 02 I like listening to you speak Japanese.
- 03 I like how “Nei” became a name that feels special to me.
- 04 I like knowing that a random “do u play codm” started all of this UHAUAUAUHUAHUAHUAHU.
- 05 I like how three months somehow passed without me noticing.
- 06 I like how talking to you never feels forced.
- 07 I like having someone I can randomly message about absolutely nothing.
- 08 I like how our conversations can go in the weirdest directions.
- 09 I like the little things you say that randomly stay in my head.
- 10 I like your “time is gold po” moment HAHAHA.
- 11 I like how your messages have their own personality.
- 12 I like the random energy you bring into a conversation.

100 Things I Like About You

- | | |
|----|---|
| 13 | I like how easily you can make me laugh. |
| 14 | I like the way you make simple conversations memorable. |
| 15 | I like how comfortable talking to you has become. |
| 16 | I like being able to be silly around you. |
| 17 | I like how I don't have to overthink every message I send. |
| 18 | I like the little jokes that somehow become our thing. |
| 19 | I like how you can make an ordinary day feel a little more interesting. |
| 20 | I like having someone whose messages I actually look forward to. |
| 21 | I like your creative side. |
| 22 | I like the fact that you make anik-anik things just because you can. |
| 23 | I like how clay becomes something completely different when you start creating with it. |
| 24 | I like imagining you making little jewelry holders and random creations. |

100 Things I Like About You

- 25 I like the thought you probably put into the things you make.
- 26 I like how painting gives you another way to express yourself.
- 27 I like that you have hobbies that let you create instead of just consume.
- 28 I like how your creativity seems to show up in little ways.
- 29 I like that you can turn something simple into something cute.
- 30 I like knowing there's a creative side of you I still want to discover more of.
- 31 I like your weekly pickleball tradition, ay meron pa ba now, cuz bz and all UAHUAHUAH.
- 32 I like knowing that you get to spend that time with your parents.
- 33 I like how family to you can be part of something as simple as a weekly game, huiei.
- 34 I like imagining how competitive those pickleball matches probably get even tho natamaan ka ni papa mo UAHUAHUHAUHA.
- 35 I like that you have little routines to look forward to.
- 36 I like how you can enjoy something without needing a huge occasion for it.

100 Things I Like About You

- 37 I like the energy you probably bring when you're having fun.
- 38 I like that you make room for both hobbies and family.
- 39 I like knowing there are parts of your week that are just yours.
- 40 I like how those small routines make your life feel uniquely yours.
- 41 I like your relationship with music.
- 42 I like knowing that there's probably a song playing somewhere around you most of the time.
- 43 I like wondering what song you're listening to whenever I think about you.
- 44 I like how music gets to be part of your everyday life.
- 45 I like imagining you having completely different songs for completely different moods.
- 46 I like that you can find comfort in something as simple as a good song.
- 47 I like how music seems to follow you everywhere.
- 48 I like the thought that some songs might eventually remind you of certain moments.

100 Things I Like About You

- 49 I like how your taste in music is another little piece of you.
- 50 I like getting to know you through the things you listen to.
- 51 I like your love for movies and series.
- 52 I like how easily a good story can pull you in.
- 53 I like that The Amazing Spider-Man made its way into your favorites.
- 54 I like how Hachiko is somehow a favorite even though it destroys everyone emotionally.
- 55 I like that Loki was your first MCU crush HAHAHA.
- 56 I like hearing about the characters you become attached to.
- 57 I like how certain stories clearly leave an impression on you.
- 58 I like the way your favorites tell little pieces of your personality.
- 59 I like discovering another movie or series that makes me think of you.
- 60 I like that your watchlist probably contains a little bit of everything.

100 Things I Like About You

- 61 I like your CODM side, trastok, and actually the reason why I'm talking to you right neow.
- 62 I like knowing that you can get competitive over a game.
- 63 I like the fact that Minecraft is part of your gaming world too.
- 64 I like how funny it is that your interests can go from peaceful Minecraft moments to intense CODM games.
- 65 I like imagining your reactions when a game goes completely wrong.
- 66 I like that games are another thing you can genuinely have fun with.
- 67 I like how easy it is to imagine you getting completely invested in a match.
- 68 I like that your hobbies aren't all the same kind of thing.
- 69 I like how there's a playful side of you that comes out through games.
- 70 I like knowing there's probably a competitive version of Nei waiting to appear HAHAHA.
- 71 I like your love for blue.
- 72 I like how blue somehow feels like it belongs to you now.

100 Things I Like About You

- 73 I like that I can see something blue and randomly think of you.
- 74 I like imagining your world filled with different shades of blue.
- 75 I like how a favorite color can somehow become part of someone's identity.
- 76 I like your love for Miffy.
- 77 I like how cute your taste can be.
- 78 I like how blue and Miffy together feel very specifically you.
- 79 I like the tiny things you choose to love.
- 80 I like how those little preferences make you easy to remember.
- 81 I like knowing about Yum, Yuki, and Chloe and all of the other dogs engk, marami sila UAUAUHA.
- 82 I like the fact that you have dogs to come home to.
- 83 I like how each of their names is somehow easy to remember.
- 84 I like Chloe's entire 2021 biting-you lore HAHAHA, not funny but uhm.

100 Things I Like About You

- | | |
|----|---|
| 85 | I like that even a chaotic memory like that became part of your story. |
| 86 | I like how much personality seems to exist in the stories you tell about your dogs. |
| 87 | I like seeing the softer side of you when you talk about the things you care about. |
| 88 | I like knowing that your pets are part of your everyday life. |
| 89 | I like how the things you love become little pieces of the stories you tell. |
| 90 | I like learning about the people, pets, and things that matter to you. |
| 91 | I like how focused you are before exams and quizzes. |
| 92 | I like how you become a prof to your friends AIUHAIJA. |
| 93 | I'd like to see da Brazilian dance sampol, Kimi. |
| 94 | I like the little voice messages you sent (music to my ears) luh oa. |
| 95 | I like how certain little details about you somehow stick with me. |
| 96 | I like remembering your favorite foods without even realizing I memorized them. |

100 Things I Like About You

- 97 I like that yogurt, pesto, and liempo can all somehow remind me of you.
- 98 I like how even something as random as Mallows can become a little Nei fact in my brain.
- 99 I like having small things throughout the day that make me think of you.
- 100 I like how naturally you became someone I want to tell things to.
- 101 I like the way your presence slowly became part of my everyday life.
- 102 I like that getting to know you has given me so many tiny memories to keep.
- 103 I like how, after three months, oa wala pa pero it's close UAUHUAHUA, there are already so many things about you that I genuinely appreciate.

I like you, Nei, just because you are you — for all the little reasons I can explain, and probably just as many that I can't. ❀

for you, always ❀
